Special Guest Speaker- Mr. John Storer, Auburn
Water and Sewer District Superintendent

Topic- South Main Street project status report and
future construction in New Auburn

Greetings to the New Auburn community:

We here at Rolly's Diner want to take the opportunity to thank all of our faithful community members that participate in the United New Auburn Association meetings. We are proud to have so many dedicated and civic minded Auburn taxpayers eager to participate!

As UNAA President I am proud to offer you the opportunity to meet once a month here at Rolly's. Our board is committed to presenting speakers from the City that will inform you of what is going on in our beautiful City!

UNAA is dedicated to support the community in any way.

This board will continue to take the opportunity to share all of its information so that you are equally educated on the important topics that will affect you and your family.

Please mark your calendars that the last Tuesday of each month we will meet here at Rolly's! Bring a friend or two! Everyone is invited!

Sincerely,

Leroy Walker, President
